

LASER LINK RH₂

Smaller. Lighter. Longer. Faster.

Laser Link Golf's best-selling Red Hot technology is back in RH2. The new model includes all of the attributes that make Laser Link rangefinders popular with golfers of all skill levels, plus added features to improve the user experience.

Standard Features

- Distance to any target on the golf course
- Pistol-shaped for ease of use
- Red Dot Aiming System featuring the Zero-In Alignment Aid
- Large, easy-to-read LCD
- Three yardage confirmation settings – Audio, Silent, and Vibrate
- Measures in yards or meters
- Measures distance only, to conform with USGA and R&A Rules of Golf, as well as with USGA Handicap Guidelines (see Handicap System Manual Decision 5-1e/2)

NEW

- Increased Range – measurements up to 1000 yards
- Smaller Size – RH2 has slimmed down making it easier to store and easier to carry
- Lighter Weight – Only 6.4 ounces including the battery
- Faster – Improved optics and electronics for faster and more accurate measurements
- Ergonomically designed rubberized grip – New curves and a new feel
